

HOMA BAY FISHERFOLK COMMUNITY OF PRACTICE (CoP) CHARTER

1.0 Purpose and objectives of the Fisherfolk Community of Practice

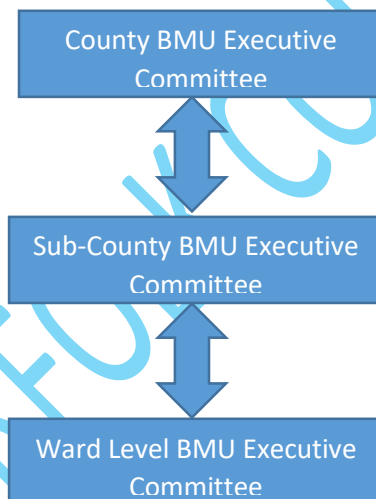

The Key objectives for the CoP are:

1. Economic Empowerment of the members
2. Surveillance, Monitoring and Evaluation to reduce insecurity and accidents
3. To promote good healthy living and wellbeing of the members

2.0 Coordination Structure

BMU establishment and operationalization is governed by the Fisheries Act. It spells out the mandate, membership and role of each office as per the structure. There are two key coordination structures that include Executive Committee and Assembly. The executive Committee has membership of 9-15 members. The Membership include; Boat owners 30%; Crews 30%; traders 10%; others 30%. The Executive committee has Chairperson, Deputy Chairperson, Secretary, Treasurer and committee members. The Assembly is composed of; all Executive committee members, registered members and other.

a) Coordination Structure at Network Level

b) Coordination Structure at the Beach level

3.0 Communication and Engagement

Communicate through their structure by phones and meetings which are held as follows:

- BMU Executive Committee meet Quarterly
- BMU County Assembly Executive Committee meet Quarterly
- BMU Sub County Executive Committee meet monthly
- BMU ward Executive Committee meet after two weeks (fortnightly)
- Beach management unit meet weekly

4.0 What Matters to the CoP and the BPI linkage

What Matters to them	Recommendations	Responsible Institution	Sectors/Institutions to collaborate with
Jaboya- Fish for sex Improve safety and income	Sensitization on behavior change**. Sensitization of alternative livelihood	NACC, MOH, BMU Executive Members	EGPAF, PLAN International, Civil society organizations, WOFAK
Insecurity and bad weather	Link the COP with the security networks, Sensitization on weather issues Sensitization on safety measures** Sensitization on occupational health and hazard management	NACC, MOH, Department of Disaster Management Department of Trade Fisheries Department	Ministry of interior Meteorological department. Social services
Drug Abuse and Substances	Sensitization on effects drug abuse Rehabilitation of drug addicts	NACC, MOH, Ministry of Education WOFAK	NACADA Ministry of Interior
Stigma and Discrimination	Advocacy against stigma and discrimination	MOH, NACC, WOFAK, BMU Executive members MOE	EGPAF, Social Services, Plan International,
Unprotected sex among fishermen/folk	Sensitization on behavior changes Promotion and distribution of condoms**	MOH, NACC, WOFAK, BMU Executive members	EGPAF, Social Services, Plan International, DEV Link, NyarweK.

			Caritas
Lack of dispensers and condoms	Promotion and distribution of condoms**	NACC, MOH, WOFAK, EGPAF, LVCT, CoP Champions	Social services, MOE, EGPAF, PLAN International,
Many bars at the beaches	Mapping of all the bars in the beach, Provision of condom dispensers Sensitization on condoms use Distribution of condoms**	NACC, MOH, WOFAK, MOE, LVCT, CoP Champion	Social services, Ministry of interior, EGPAF,
Inadequate marketing opportunities	Mapping of the available market Sensitization on the marketing skills, Advocacy for the investment fishing industry in the county	NACC, MOH, Department of Trade	Social services,
Members not joining cooperative societies	Sensitization on available cooperative societies. Training on financial management,	NACC, MOH, Department of Trade, BMU	Department of Finance,
Inadequate of storage facilities for the fish and fish products	Sensitization on acquisition of storage facilities,	NACC, MOH, Department of Trade, BMU	Department of Finance
inadequate capital to establish/expand business	Link them to youth empowerment programs Training on financial management	NACC, MOH, Department of Trade, BMU	Department of Finance
No insurance for fishing gear and fishermen	Link to the insurance companies,	NACC, MOH, Department of Trade, BMU	
Lack of health facilities within beaches e.g. clinics, toilet facilities	Advocate for establishment of mobile clinics along the beach Establishment of sanitary facilities	NACC, MOH, BMU, Trade	Ministry of Interior,
Teenage pregnancies	Sensitization on sexual and reproductive health Guidance and counselling on SRH issues Sensitization on SGBV and legal aid Cash transfer programs Post abortion care Family planning education	MOH, NACC, COP Champions	Social services
Assault and violence related cases	Law enforcement Mitigation and management of violence against human rights	COP champion,	Ministry of interior and coordination
New HIV infections	HIV testing services Identification and linkage to care and treatment Family and psychosocial support STI screening and treatment Partner Notification services	NACC, MOH, CoP champions	MoE, Social Services, EGPAF, MSF, Civil Society organisations

	Condom promotion HIV prevention messages Stigma reduction campaigns Provision of PEP and PrEP Sensitization on safe sex VMMC		
Lack of compensations	Sensitization on labor laws Strengthen open days fora	NACC, MOH, CoP champions	Department of Trade

Note:

** These are the interventions that the Fisher Folk CoP themselves will undertake as we build their capacity.

5.0 Linkage with other CoPs and Institutions/Sectors

The linkage horizontally and vertically will be done as per the BPI procedure and the identified champions and the key stakeholders.

FISHERFOLK COP CHARTER

6.0 M&E and Indicators of success for the CoP

Fisher folk	Improved safety and income	<ul style="list-style-type: none"> ▪ Link boat owners to insurance registration ▪ Lifesaving jackets to fishermen ▪ Sensitization on search and rescue services. ▪ Sensitization on water safety. ▪ Linkage to county disaster and emergency services. ▪ Sensitizations on table banking and micro-finance institutions. ▪ Training of BMUs on financial management. ▪ Improve fish landing sites. ▪ Install cooling plants 	<ul style="list-style-type: none"> ▪ No. of boat owners linked to insurance companies ▪ No. of sensitizations held ▪ No. of BMUs trained on financial management ▪ No. of cooling plants installed. 	<p>Number of skilled youth trained (Disaggregated by sex)-Vijana Baharia Programme (MOTIHU&PW).</p> <p>Number of skilled persons. (Disaggregated by sex) - (MOALFI, MOTIHU&PW).</p> <p>No. of persons trained on OSH (MoL&SP).</p> <p>No. of wholesale and retail jobs created (Disaggregated by sex) (MOITC)</p>	SDG 8.5
	Reduction in teenage pregnancies	<ul style="list-style-type: none"> ▪ Sensitization on sexual and reproductive health. ▪ Guidance and counselling on SRH issues. ▪ Sensitization on SGBV and legal aid ▪ Cash transfer programs. ▪ Post abortal care. ▪ Family planning education. ▪ Provide emergency contraception pills. ▪ Sensitization of community on teenage pregnancies. 	<ul style="list-style-type: none"> ▪ No. educated on FP ▪ No. linked to emergency contraception services ▪ No. linked to safety NETs programmes ▪ No. sensitized on SRH through school health programs 	<p>No of Orphans and Vulnerable Children households supported (cumulative) - Safety Net Programmes- Inua Jamii.</p> <p>No. of beneficiaries for the UHC.</p> <p>No of elderly persons and PWSDs registered & accessing healthcare (Disaggregate by sex, age and PWSDs) - UHC (MoH).</p> <p>Number of persons covered under Social Security by (disaggregated by Sex)- MoL&SP</p>	SDGs 1.3.1

	Reduction in assault and violence related cases	<ul style="list-style-type: none"> ▪ Law enforcement ▪ Mitigation and management of violence against human rights ▪ Linkage to pro-bono legal services 	No. of assault and violence cases reported Number of vulnerable persons accessing legal aid	No. of cases processed for legal action (OAG & DOJ). No of duty bearers trained (Police, children Officers, Judicial Officers, Psychosocial therapists, medical officers). No of GBV Survivors/Victims supported. No of GBV Rescue Centres established (MoPY&G) Number of Human Rights Violations Cases Reported and concluded by (disaggregated by Sex) KNCHR	SDG 16.1.1 SDG 16.2.1 SDG16.2.3 SDG 16.3.1 SDG 16a.1 SDG 16b.1
	Increase in awareness on drug and substance abuse	<ul style="list-style-type: none"> ▪ Sensitization on alcohol and substance abuse ▪ Alcohol and drugs screening ▪ Identification and linkage to alcohol rehabilitation centres ▪ Mapping of PWIDs ▪ Provide OST/MAT ▪ Needle exchange programs 	<ul style="list-style-type: none"> ▪ No. sensitized on alcohol, drugs and substance abuse, ▪ No. of alcohol and drug addicts identified and linked to rehabilitation centres 	No. of youth sensitized on drugs and substance abuse. Youth mentored on leadership and national values (MoPY&G)	
	UHC	<ul style="list-style-type: none"> ▪ conduct sensitization meetings on UHC 	<ul style="list-style-type: none"> ▪ Number of households reached with information and referred for registration for NHIF or County Health Insurance ▪ Number of households referred and facilitated to take up health insurance 	No. of beneficiaries for the UHC. No of elderly persons and PWSDs registered & accessing healthcare (Disaggregate by sex, age and PWSDs) - UHC (MoH). Number of persons covered under Social Security by (disaggregated by Sex)- MoL&SP	1.3.1

7.0 Action Plan

COP category area	Key result area	Interventions	Indicators	Eligible populations	Targets at 3 months	Targets at 6 months	Data source	Responsible institution	Comments
Fisher folk	Improve safety and income	Link boat owners to insurance registration Lifesaving jackets to fishermen Sensitization on search and rescue services Sensitization on water safety Linkage to county disaster and emergency services Sensitizations on table banking and micro-finance institutions Training of BMUs on financial management Improve fish landing sites Install cooling plants	<ul style="list-style-type: none"> No. of boat owners linked to insurance companies No. of sensitizations held No. of BMUs trained on financial management No. of cooling plants installed 	– –	50 2 1 0	100 4 2 1			– awaiting correct figures from relevant departments
	Reduce teenage pregnancies	Sensitization on sexual and reproductive health Guidance and counselling on SRH issues Sensitization on SGBV and legal aid Cash transfer programs Post abortal care Family planning education Provide emergency contraception pills Sensitization of	<ul style="list-style-type: none"> No. educated on FP No. linked to emergency contraception services No. linked to safety NETs programmes No. sensitized on SRH through school health programs 	40000 1600 1600 40000	1000 160 160 1000	2000 320 320 2000	NEMIS, DHIS2,	MoH, MoE,	approximate d no of fisher folks=200,000 20% aged 15-24 4% of them will be pregnant at any given time

		community on teenage pregnancies						
Reduce assault and violence related cases	Law enforcement Mitigation and management of violence against human rights Linkage to pro-bono legal services	<ul style="list-style-type: none"> No. of assault and violence cases reported No. of cases processed for legal action 	– –	50 10	100 20	OBS, DHIS2,	MoH, MoE,	no baseline data available
Increase awareness on drug and substance abuse	Sensitization on alcohol and substance abuse Alcohol and drugs screening Identification and linkage to alcohol rehabilitation centres Mapping of PWIDs Provide OST/MAT Needle exchange programs	<ul style="list-style-type: none"> No. sensitized on alcohol, drugs and substance abuse, No. of alcohol and drug addicts identified and linked to rehabilitation centres 	40000 –	1000 50	2000 100			no baseline data available

8.0 Achievements

Location and COP category	Key result area	Interventions	Indicators	Achievements- July - September 2019	Link to MTP III Indicators	Link to SDGs
Fisher folk	Improved safety and income	(i) Lifesaving jackets to fishermen	(i) No. of sensitizations held.	(i) 3		
	Reduction in teenage pregnancies	(i) Sensitization on sexual and reproductive health	(i) No. educated on FP.	(i) 40	No of Orphans and Vulnerable Children households supported (cumulative) - Safety Net Programmes- Inua Jamii. No. of beneficiaries for the UHC.	SDGs 1.3.1
		(ii) Guidance and counselling on SRH issues	(ii) No. linked to emergency contraception services.	(ii) 40		
	Increase in awareness on drug and substance abuse	(i) Sensitization on alcohol and substance abuse	(i) No. sensitized on alcohol, drugs and substance abuse,	(i) 50	No. of youth sensitized on drugs and substance abuse. Youth mentored on leadership and national values (MoPY&G)	
	UHC	(i) Conduct sensitization meetings on UHC	(i) Number of households reached with information and referred for registration for NHIF or County Health Insurance	(i) 50	No. of beneficiaries for the UHC.	1.3.1
